

## STUNT EQUIPMENT RENTALS

### **The Total Action Package**

✓ Providing a professional stunt equipment rental services on a daily, weekly or monthly basis.

✓ Our stunt rigging team is the best and we have the most updated and reliable stunt equipment available for the industry.

✓ We design & fabricate stunt equipment for the specific needs of any action sequence for any motion picture.

✓ Our aim is to provide the latest stunt & safety equipment, the most up to date technologies together with a vast range of expertise, experience and professionalism.

✓ We have worked around the world providing International film, TV & commercial productions with a 'one stop' facility for stunt equipment, tracking vehicle and motion camera needs.

✓ Our equipment is insured, certified and tested.
